

## Carolynn Sharp's Summer 2022 Update

Dear friends,

In the spring I needed to get another vehicle as I was having difficulty getting in and out of my car. Also, I had an initial very difficult onset of Rheumatoid Arthritis which made it hard opening my car trunk. The Lord led me to a previous one owner vehicle which my brother was able to test for me and give advice on purchasing it. So thankful he lives nearby and can help in these things. So I am a driver of a Jeep again. I enjoyed my Jeep Cherokee in Liberia and now have a Jeep Patriot.

After initial tests and treatment for my Rheumatoid Arthritis (RA), it has calmed down for now. I am also thankful that my Emphysema is doing better. My other specialists are satisfied with how I am responding to medication. However some of my medication keeps me tired and I have little energy. I am so thankful for God's daily care and the good doctors He has provided for me.

I continue to visit the elderly in our community and have opportunities for counselling as well. One of our church ladies moved to Alberta to be near family and I have just been able to visit and encourage her today. I have been connecting with relatives, supporters, friends and former classmates from my Bible School and Nursing College days during mid July in Alberta. How precious it has been to hear stories of God's care and grace through the years in the lives of others.

I arrive back home in Abbotsford the end of July, blessed to be travelling with a friend from Alberta. It is a great blessing to have God's provision of friends and neighbours who have been of great encouragement and blessing during these troubled times that our world is facing.

In Liberia the New Hope Pregnancy Crisis Centre is blessed to have supplies for the mothers-to-be coming directly from Vancouver, BC. I am so grateful for the church ladies who have been making blankets and gathering up other items for me to get packed for shipment. The midwife and assistant are able to talk with me on FaceTime about the ministry. We praise the Lord for young women who have trusted Christ as Saviour in recent months.

Please continue to pray for the counselors to have wisdom and souls to be saved. The ministry is struggling at present to have funds to continue for its budget, especially to cover the cost of the security. I am very grateful for your continued fellowship, encouragement, prayers and support.

In Christ,

Carolynn Sharp
