## Missionaries to our US Military

March 2022

Dear Friends,

Buon Giorno da la Sicilia! We pray this update finds you well. I am in-between my morning coffee Americano and my mid-morning espresso, but why don't you pour up that cup of java and read on...

Working chronologically backwards, we just finished our 2022 Family Conference with Pastor Joel Royalty and his lovely wife, Deena. The Royalties were a great blessing to us of all ages. They had led our last Family Conference in 2019 so it was great to have them back to renew their relationship with Calvary Baptist Church.

Always going on in the background is discipleship of individual believers. Recently, we awarded Mya her certificate of completion of our Discipleship Course. Her husband already had completed the course in 2020 prior to their marriage. He joined us for the final lessons on family. A new member of CBC, Jonathan, is now in the midst of the course. After the lessons, we always enjoy sweet fellowship and a meal Elizabeth has prepared. This one-on-one discipleship is so profitable for teaching Bible truth, but also to address the multitude of false teachings held by people who come to us.

Out of the discipleship program came a young couple whose hearts turn more and more to serving God. We have approached them about teaching the children's Sunday School class and they accepted joyfully. Last week began their orientation with Elizabeth and will continue for several more sessions. We take the teaching of children very seriously, and Elizabeth is very careful about who she might seek to take over for her. It seems the Lord has answered our prayers for her replacement.

And speaking of replacements, let me pick up a thread that I began in our last letter. I introduced you to Jeremiah Roper and his family who, both they and us, believe God has raised up to be the next missionary pastor of this church. Our church assisted with them visiting Sicily for a survey trip for two weeks in January-February. We all believe God confirmed their call here and now they have returned stateside to finish raising their support. All are excited as we look to their move here in the next 12-18 months. Please consider them for both prayer and financial support. We will keep you posted as things develop.

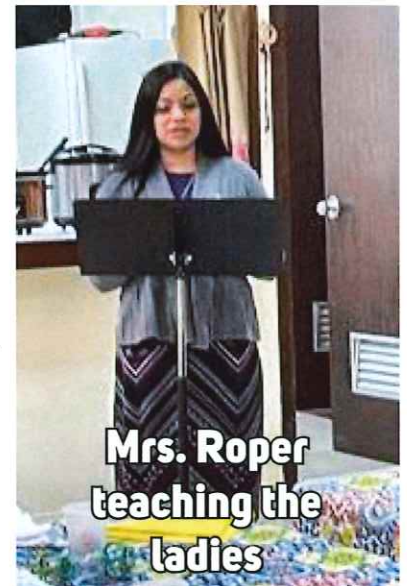

Praying for you and thank you for giving so we can serve here.

In Christ,

The Hamiltons
