*"Rejoicing in hope; patient in tribulation; continuing instant in prayer."*  
Romans 12:12

### ***"Rejoicing"***

God gave me a safe and short trip to the US in April. I enjoyed attending part of the mission conference at my home church and visiting several shut-in people from the church who pray for me and for whom I also pray. The BIMI field conference was a great encouragement. Then I flew to Texas to spend a few days with two of my brothers and part of their families. While there I was able to go to the care center to visit my mother several times. She is stable and loves it when family comes to visit her. Thank you for your prayers for her.

Since I returned to Honduras, the Lord has been blessing in the ministry. We had a great conference with a pastor who came from the States with some people from his church to minister in our church for a week. Praise the Lord, I was able to take a neighbor, Alejandrina, who made a profession of faith after the service with me. We were able to have a ladies' meeting in May with a good group. The attendance of the Children's Bible Club has been better online than at church, but the most faithful boy, Elías, who comes to the class at church, got saved recently. That was a great answer to prayer! Elías's parents were baptized in April. Elías and his parents have been bringing some of their neighborhood children to the Children's Bible Club too.

### ***"Patient in tribulation"***

The process to purchase the house has not been easy, but the Lord has been helping me with the paperwork, which is still not totally completed yet. Praise the Lord, I have been able to pay the owner for the house and trust that the Lord will continue to provide monthly to pay the couple who has helped me buy the house. The house repairs from the previous owner are still not completed as the couple who is doing the work have had other jobs come up which have kept them from finishing the work.

### ***"Continuing instant in prayer"***

- Faithful attendance of children in the Children's Club and for the salvation of those who still are unsaved.
- Spiritual growth of the ladies and teenage girls in our church as I teach them God's Word.
- Salvation of those who receive tracts and are visiting our church.
- Alejandrina to grow in the Lord. She is quite often gone on weekends, but I am encouraging her to come to my house during the week to have a discipleship class.

Once again, thank you for *"continuing instant in prayer"* for me and the Lord's work in Honduras. God is answering and I know He will continue to use you! May God bless you richly.
