

# Mark & Linda Sigstad

MAY/JUNE 2024

Dear Friends:

I enjoy driving at night. The roads are less crowded, and I have had many opportunities to share the gospel at gas stations and rest areas on my way home from meetings. The results are not always positive at the time, but the Lord can use our witness for him. Last week I received a phone call from a lady from Ohio. She got my number from her husband. I had met him at a Love's gas station in southern Illinois late one night about two years ago. I witnessed to him and gave him a prayer card and tract when we parted. His wife informed me that her husband had passed away and she had my prayer card and phone number. She wanted to let me know that her husband had made a profession of faith, and she expressed her gratitude for the tract. She also had made a profession of faith with her husband. Galatians 6:9 says: "And let us not be weary in well doing; for in due season, we shall reap if we faint not." At times I become weary, but PRAISE THE LORD, HE is in charge of our "due season".

I would ask that you pray with me for Nigerian Pastor Sunday Matthew who is 24. He is planting a church in Nigeria. I am supporting him through Global Baptist Church Planters. I am so thankful for another generation of Nigerians who are rising up to reach their own people. I am thankful also that I can have a part in helping this young man do a work for the Lord in Nigeria.

I continue to travel for meetings here in the U.S. as well as making plans for my trips to West Africa. The Lord has been good to enable me to schedule meetings and conferences as well as taking care of the medical needs of both Linda and me. Our schedule can at times be hectic, but we have not had to cancel any of our doctor's visits this year. THANK YOU for standing with us through your prayers and financial support. We are grateful to see the Lord continue to bless and use us for the cause of Christ.

Sincerely for the Lord
