CHURCH PLANTERS IN SURINAME

OCTOBER 2024

Praying friends,

REACHING THE UNREACHED

Thank you for your prayers on behalf of the evangelistic trip to Kamarang village in the interior of Guyana. This trip was a great success. Mark was able to assist a team of 6 that preached to over 1,000 people, saw 88 patients, freely distributed 42 pairs of glasses, and personally witnessed to many people in just 4 days. 44 precious accepted Christ after speaking personally with a soul-winner. We are so thankful to the Lord for providing this opportunity and giving us favor with the leadership of the villages and schools we visited.

This trip was led by a Guyanese Christian, Brother Ryan Williams. I am excited to see how God will use he and his family in the future as they continue to lead evangelistic trips to remote interior villages without a gospel witness throughout Guyana.

STRENGTHENING BELIEVERS

We have begun weekly discipleship lessons with a Surinamese family. They attend church faithfully but have recently felt God's leading to serve in a greater capacity and have recognized their need to grow in their Christian lives. We are thankful for the opportunity to invest in this precious family and others as God gives us opportunities! We are thankful for your prayers and giving that make our ministry possible!
