SUMMER MINISTRY

Greetings from the Montaña family!
Great news from Hermosillo, Sonora.
We hope that all of our supporting churches had a fruitful season of ministry!

JUNE

During the month of June much of our summer ministry started. We had many activities to keep the people busy in the work of the Lord. We had our School graduation. It was a blessing to have 7 graduate to junior high and 3 graduate on to highschool. . We also had a parent conference which had a practical lesson for parenting. We use that to be a

blessing to our church member but also a way to invite lost people with the hopes of leading them to Christ.

Another Highlight of June was our Bible institute graduation. We had two graduates. We are very excited as to the future of those graduates. One is preparing to do a survey trip to a town in the south part of Mexico to scout a city to plant a church. The other is planning to be a missionary. One of the most exciting things is to see people saved and then train for the ministry.

Sunday School Class

Also in the month of July we had a soul winning training for those who wanted to learn how to witness to Jehovah's Witnesses. We want our people to know how they can defend the faith among many cults that are very strong in our area.

JULY

We had our VBS and our Youth Conference. In our vacation Bible School we had over 80 children come. We had over 30 accept Jesus as Savior. We are thankful that many visiting families attended for the closing services on Sunday. For our Youth conference we had over 90 teens come. Many decisions were made for Christ. Our goal for this conference is to help christian teens have boldness to live for Christ.

AUGUST

The month of August was another month of ministry activities. I was able to preach a youth Confrence in Tabasco, Mexico which is a state in the south part of Mexico. This is a blessing as it also opens opportunities to be a blessing to other churches.

My wife and I were able to participate in a couples retreat for a supporting church in Long Beach. What an honor for us to be able to teach others
