REPORT FOR JUNE AND JULY 2023

Dear Praying Friends,

I trust this letter finds you doing well and enjoying the blessings of the Lord. This summer has been an amazing and a busy time and we have seen God work in hearts and lives. It is always a privilege to be used of the Lord to challenge Christians about the Great Commission.

CANDIDATE SCHOOL 2023

First, we held our **Annual Board of Trustees' Meeting and Candidate School** the first full week of June. There were 35 attendees and we praise the Lord for the wonderful time we had together. As always, it was great to hear the testimonies of the new missionaries about how God had saved them and called them into full-time missionary service. Please pray for these missionaries as they raise their support.

ENRICHMENT WEEK 2023

Next, we enjoyed **Enrichment Week** during the last week of June. The Lord allowed us to minister to 18 adults, 14 teenagers, and 8 children. This special week is sponsored by local churches and individuals who give for the purpose of encouraging and enriching missionary families who are on furlough.

Finally, we held **CAMP BIMI** the third week of July. God gave us an amazing group of 73 students, ranging from 16 to 67 years of age. Those who attended were very interested in missions and there was an excellent spirit throughout the entire week. I praise the Lord for Jason and Mary Ritchie who are now leading this ministry. They did an excellent job! Lord willing, we plan to have two different weeks of CAMP BIMI next year to accommodate the growing number of students who are interested in attending. If you know someone who would benefit from CAMP BIMI, please direct them to our website (www.campbimi.org).

Once again, we want to express our sincere appreciation for your faithful support of our family and ministry. Thank you for the privilege of representing you in worldwide missions. It is truly an honor to work together with you in God's harvest field. May the LORD richly bless you!

In Christ,
David + Barb
