

Reta Burns in England

June 2024

I am excited to share with you what is happening since my last prayer letter. For many years our church has faithfully worked to reach people for the Lord. Marcia and I were thankful when the Lord sent us a missionary pastor five years ago. It has been slow going, and the congregation remained small but actively reaching out into the community. But, recently the church set up a web page. New people began attending including a Christian family of six who travel a distance and are now regularly attending. Another young, British family began attending, but they live more than two hours away. They are praying about moving closer to the church after the wife gives birth to their second child in mid June.

Our door to door New Testament distribution has also brought people in. A young man who lives in Market Harborough received the Bible some months ago and decided to read it. He attends now and brought his girlfriend. Another woman named Virginia was in another town when one of our men spoke to her about the Lord. She lives in Harborough and was also looking for a Bible believing church. She came and then invited a friend to attend. Some of the church folks went out into the town centre on Saturday last, and gave out tracts. A tract was thrown away and a young woman picked it up and decided to come to church.

I could continue telling you about so many others. We have heard of other Bible believing churches that are also experiencing many visitors. How blessed we are to hear that in many parts of England, people are seeking answers that can only be found in the Word of God.

I am so thankful for your prayers and financial support and for not giving up praying when it seemed so little was happening. The church is now full of teenagers, young adults excited to be a part of an active church, and families thankful to the Lord for guiding them to a Bible believing church.

Yours in Christ,

Reta Burns
