Pastors Training Week

This year due to the world-wide pandemic, we held a unique style of conference. We did a semi in-person conference with many watching from their homes, while those without internet were invited to different sites within Central America to watch on TV and projectors. Men and women from all over the Spanish-speaking world joined us virtually as we heard preaching and teaching focusing in on the role of a Biblical pastor.

Seminary Fall Semester

The fall semester of Bethlehem Baptist Seminary came the first week in August. Eleven students from three churches joined us for in-person classes! A record five students are in the dorms this term. Each week the students participate in ministry as well as community outreach. Every Tuesday they mount up in vehicles to visit one of the four churches in our region to aid that work in soulwinning. All the men in the seminary feel that God wants them in ministry full-time. A few are praying about joining the growing ranks of missionaries leaving Honduras to go to the foreign field!

Two Cabins Finished

The Lord has provided the funds for several cabins to be built on the conference center property. Two of them are finished with the construction stage and are awaiting the arrival of fellow missionary Brandon Lane to come and finish the detail work! Each cabin is a two-bedroom home suitable for short term families or groups to use while visiting. We are looking forward to putting them to use soon. Our family is using one of them temporarily while our personal residence is under construction a few blocks away.

Please Pray for the Following:

1. The many seen saved since our last prayer letter. We are seeing decisions made on a weekly if not daily basis!
2. For growth for the nine churches that have been started.
3. For the eleven seminary students to remain fervent for the Lord.
4. For our twins to have their US visas approved so that we can travel as a family when needed.
