

Dear Prayer Partners,

February 2024

As the song goes, "Count your blessings name them one by one; count your blessings see what God hath done." Admittedly, that is hard to do in the dark valleys of life, but it does make the mountaintop all the sweeter. That is where we find ourselves in this season of life. We are so thankful and excited to be back in Belize serving the Lord. The hardships are still here, but God has blessed us with the tools to be able to work through those things. God is SOOO good!

As you know, our focus this year is to provide assistance and relief to other Baptist missionaries in the country, while praying and seeking God's direction to where He would have us start another church. It has been WONDERFUL getting to come alongside these precious servants of the Lord to help them. Best of all, a young lady at Faith Baptist in Belmopan got saved!!! We've had the opportunity to preach, help with music, do Sunday School and midweek classes for children as well as help in the homeschool association run out of the church, drive bus, assist in Bible study, outreach and hospitality. We got to help take some youth to a country-wide youth rally. (We brought the bouncy castle to that for the activity for the Rally. It was a big hit-thank you again to those who donated towards that!!) I was also asked to preach for the anniversary service of the church that I was pastoring during our last term. Let me tell you, that was a blessing! It was standing room only, several visitors. What a privilege to present the Gospel to them. God is using Pastor Omar to continue the work there in a great way, and we praise Him for that!!

Please continue to pray with us that God would direct our steps in the where and when of starting another church. As we've had opportunity to talk with people our hearts are burdened with the need is so evident in this area (where we're living, not where the churches we're helping are) for both a clear presentation of the gospel as well as discipleship in basic Biblical truths. But we don't want to move ahead of the Spirit's leading, so please pray with us.

Prayer Requests

- For God's direction in starting a church
- For our neighbours, Evi and Achmed, and Marvin and Mikayla for salvation.
- For our oldest, Jossalyn, as she heads off to college in a couple of months and the changes that'll bring to our family & ministry
- For the last few percentages of our needed support to come in

For His Glory,
Dan and Tracy Dinsmore
