Preaching the gospel in Windsor - Essex, ON

CHURCH FELLOWSHIP

Thank you for your prayers and remembrance of us. It is always encouraging to write these letters and be reminded that we have you praying on our behalf. We have no doubt that the spiritual growth and attitude that we have seen in our ministry this year is because of the faithful prayers of believers. God has been so good to us.

Our church services have had such a sweet spirit of fellowship among the people. It only seems to be growing, and we know it is because of God's working in our midst. In early February our church held 3 days of revival meetings. We observed a good group of people attending from our church with a real enjoyment in drawing closer to the Lord. In an effort to broaden our fellowship within the church, we are planning some home fellowships over the course of the next several months.

During the winter months, we have been able to renovate our church nursery and office space. These rooms have become much more functional for their intended use. We are now working on making two rooms into one large room for a kids ministry space.

This Easter, we have plans for another baptism service with three more children to be baptized. In May our church will be partnering with Baptist Church Planting Ministry to conduct a Hope Campaign. We are preparing to send out many postcards, online ads, printed ads and door hangers in an effort to connect more people in our community with the gospel and our church. We greatly covet your support and prayers for this endeavor.

Requests to Remember: (1) Please pray for others who still need to be baptized. (2) Pray for God to help us in sharing the gospel with our community. -Jason, Mandi, Lottie, Wilson & Truett
