

The Caviness Family

Reaching the Republic of Congo for Christ.

Prayer Requests

Jan-April 2023

1. For wisdom and healing as we seek to grieve and help my mother through this transition.

2. For our home church as they seek God's will for a new pastor.

3. For all of the logistics as we continue to work toward moving to Congo.

Dear Pastors and Friends,

Home going:

Though many of you may have heard already, my heart breaks to announce that my father (Pastor Clint Caviness) went to his heavenly home on Friday afternoon March 24th. Though my heart aches at his loss, I rejoice that my dad faithfully ran his race for our Savior without compromise, scandal or stain. He passed suddenly at his home at the age of 61. There is no way to express with words the impact his life had for the cause of Christ. For me personally, he was my dad, my pastor, my counsellor, my prayer warrior, my encourager and my lifelong friend. I am so thankful for the blessed hope of an eternity together in glory. I apologize for not writing sooner. I have found this letter to be much more difficult to write than I expected. I would like to offer my deepest gratitude to the many who have expressed condolences and support to myself and my family.

Moving forward:

I have been so incredibly thankful that the Lord has allowed us to be here to support my mother, my family and my church through this time. After much prayer and counsel, we have decided to postpone our departure for Congo for a short time to help my mother through this transition. We are still actively working toward our departure and are currently looking to leave early summer of this year. Please pray for our family as we seek to strengthen each other in the Lord. Also, please be in prayer for our home church as they mourn the loss of their pastor and begin the process of seeking the Lord's will for a new pastor. Both our family and our church recognize that our mission is not over. We still have a job to do, souls to reach and our Savior to follow until he calls us home. We are grieving, but we are also resolved to faithfully accomplish our mission for Christ.

Family:

Thank you for praying for Kelci's health. Though we have not yet found a specific cause for the problems she experienced last year, she is no longer having any problems. We are also much better prepared now if her symptoms were to resume.

Thank you for loving and faithfully supporting our family and our ministry.

For His Glory,
The Caviness Family
