### PRAYER LETTER: NOVEMBER 2024

Dear Friend,

Greetings to you from India. We do hope that you are keeping in good health. Here is a brief report of our ministry:

### CLASSROOM PROJECT

The renovation and enlargement of the classroom complex is almost complete. The floor of the entire building is covered with ceramic tiles, new classroom chairs have been purchased, three smart classrooms have been created, three new classrooms have been added, and all electrical items, such as fan, light, etc., have been changed. We spent a good amount on strengthening the concrete rooftop. The only work left is making a solar farm on the top of the classroom complex, for which we are praying for funds for the project.

### FACULTY HOUSING

The work on the faculty residence (three apartments) has progressed well. Now we have to build a handicapped-accessible toilet. We must also complete the plumbing work, pay tax for the new building, and get the outside work done. One donor has offered \$7,000 if we can raise an equal amount. If we have the amount, we do not have to raise any more funds for this project.

### BHUTAN & MANIPUR NEWS

Just recently, I visited the Bhutan border. Perhaps you know that Bhutan is located on the northern boundary of India. Unfortunately, Bhutan is closed to gospel work. No new church can be started. However, we are trying to bring in one or two Bhutanese and train them for gospel work. We need your prayers in this matter.

I was supposed to visit Manipur State, where two of our churches burned down. The situation took a sudden turn for the worse when militants killed a family of five. The entire state has been shut down. Due to this dire situation, I had to cancel my trip to this place.

Thank you for your prayers and financial support.

Servants of the Lord,

Sam & Molly, India
