

END OF 2023 PRAYER & PRAISE UPDATE

Praise for Answered Prayers

In a previous prayer letter we mentioned the need for modulars in order to plan for a Ukrainian Care Center and for extra Sunday School space. The Lord provided and we were able to purchase a double-wide set of containers and perfectly fit the area we had for it, and now it is used almost daily for afterschool help to Ukrainian families and other meetings.

Also, funds were received to replace the roof on our main auditorium, and the Lord controlled the weather in October and we finished it within a week so that we didn't miss any services. Praise the Lord!

We ended the summer months with our annual youth camp and had about a dozen teens attend. Immediately after that, we held our first Men & Boys Campout in the mountains and had 22 in attendance. God gave us great weather and also great fellowship and encouragement.

November was our Missions Month during which time we challenged our members with the theme of the Power of the Gospel and encouraged them to participate in Faith Promise for the coming year. Already, they have committed to do more than in past years, so we are hoping to add more mission works to the 8 we already support.

We baptized 1 young man and 2 ladies in the past 4 months, and there have been numerous visitors to services and special events, like the 18th Anniversary of our church and several special Christmas cantatas and services. **Please pray for a Romanian medical student and a French student who have been open to the Gospel and are close to being saved.**

TBCI News

The Baptist College International (tbc.eu) began a new school year with 7 resident students. We prepared throughout the first part of the Fall semester for a Christmas choir tour to Ireland, where we sang and ministered in 12 churches in 10 days. There was a good reception and several young people who said they are praying about coming to TBCI for ministry training.

**SPECIAL SERVICES**

We hosted 2 special Christmas Cantatas at our church with full attendances. Also, Ukrainian service last week had over 50 in attendance and several visitors.

It is so amazing to see how the Lord is using our church to reach refugees, foreign students and Romanians as we labor together in a multi-national congregation. God has also blessed us with a great ministry team that have been great examples of servant-leaders.

We are especially grateful for Jeremy, a young man who has worked with us for the past year-and-a-half. His servant spirit and ministry talent were greatly used. Pray for him as he prepares for deputation as a missionary to Ukraine. We will greatly miss him!
