Harvest Deaf Bible College | Harvest Deaf Camp & Summer Outreach | Harvest Baptist Church of the Deaf

September 11, 2024

Dear Friends, Family, and Faithful Supporters,

The Harvest Deaf Ministries Campus has been a busy place in recent months. We ended May with a week of counseling training for our people. This is not only a training week but it is like a revival for our folks as many areas of the heart are covered through scripture.

June came and we took our entire staff and student travel choir to Phoenix, AZ for the Deaf Baptist Fellowship of America. While our choir performed, Reggie and Kim taught a workshop and our staff looked and talked with prospective students. It was a blessed week. The following weekend we moved to Tucson where we shared our ministry all day with the Deaf and hearing of New Testament Baptist Church. Upon arrival home, we jumped into Deaf Camp preparation as we hold camp on our campus each year. We had 130 campers the second week of July and had 3 accepted Christ as Savior. It was a blessed week. Please pray for us as we seek a campground to hold camp. We have outgrown our campus.

In August, we began college. We have 3 new students and one returning student. All are Deaf. We feel blessed as one of the young ladies that came to us is from the church of one of our graduates. What a blessing! Now, we are fully into our college semester and the students are involved with many facets of ministry. Soon after college began, we had our new ministry year preparations with leadership prayer and prep meetings, workers prayer and prep meetings, outreach times, youth clubs kick-off and our annual Sunday School kick-off. God blessed in all areas and we have had many visitors as a result. We are excited as the youth clubs actually begin tonight. We will gather in the church at 6:30 with youth and adults and circle the auditorium in prayer. We are looking for several new youth as our families are excited and have invited others. We do Master Clubs and Word of Life Clubs. We pray God will give us many souls for Him this year. Our Sunday School Kick-off Sunday was last week and we had "Round-up Sunday". Everyone dressed like cowboys and cowgirls. It was so much fun. We had 80 in attendance.

We are entering Christmas Drama preparation time. Kim is working hard on the script and we are all working on advertising. This is one of our greatest outreaches of the year. Kim is taking the ladies to KC for a ladies retreat this month where she will teach and lead worship also. We praise the Lord after the past several years that she is feeling well enough to do this. Praise Him!

Please continue to pray for us as we train Deaf young people to serve Him and reach the Deaf of our area and the world for Him. We have such burdened hearts to see the Deaf know Him. We have 5/6 students graduating in May. We are praying they follow Him all over the US and to the far ends of the earth to reach other Deaf who have never heard.

We love and appreciate you so much for your prayer and support. Without you, this busy campus would not be busy. God has used you to help us keep going. We love you!

In Him,
