August 2023

Dear Pastors, Supporters and Friends,

July was a busy month and a hot one. I guess I will never get used to the heat and humidity here in Okinawa. We are presently in a typhoon that has been here since Monday, July 31, and will be here until this next Sunday, August 6.

I was able to go up to the Bible college and help with a project for a couple of weeks during which time I was able to preach at three different churches. On July 15 we had our kids meeting with Shinko Baptist Church where 40 new kids came and we had over 50 with our workers there. There were 15 kids who raised their hands for salvation during that time and five new children came to Sunday school. What a great blessing it was for us and all those who helped.

On July 26 Terri and I celebrated our 54th wedding anniversary. It doesn't seem possible, and I'm thankful for a wife who is willing to be on the mission field for 46 of those years. She is a wonderful helpmeet and I am thankful for her dedication and commitment to God. I could not ask for a better wife.

We were scheduled to have a day camp on August 5, but because of the typhoon we couldn't have it. It is rescheduled for September 2. We are also having special meetings on September 10. Please pray for those as we are trying to pass out 10,000 fliers.

I've been able to go to the doctor since returning to Okinawa and he has given me the same medicine that I have been receiving in the States. I will have an echocardiogram on September 24 along with blood tests.

Thank you for your faithful support. Without them we would not be able to be here trying to reach the Japanese with the Gospel. Pray for the Christians that they would be faithful and stand true for the Lord.

May the Lord continue to bless each and every one of you.

Yours for the Harvest of Souls in Japan,
