BIMI

REPORT FOR AUGUST AND SEPTEMBER 2023

Dear Praying Friends,

We trust this letter finds you doing well and enjoying the blessings of this autumn season. Barb and I have enjoyed seeing some of the leaves changing colors as we traveled to some of the northern states the last couple of weeks.

We held our Annual BIMI Directors' Meeting during the third week of August. It was good to be together and to hear reports regarding what God is doing around the world through our missionaries. Although it is obvious that Satan is doing his best to keep people in spiritual blindness, it is equally obvious that God is doing a great and mighty work through BIMI missionaries. I praise the Lord that God is *greater... than he that is in the world* (1 John 4:4). The victory has already been won by our Lord Jesus Christ!

During the past two months, we were privileged to preach and/or represent BIMI in 11 different churches in 7 different states. The next two months will be filled with missions conferences and missions meetings. Please pray that God will use us to see many souls saved. Also, pray particularly that many Christians will surrender to full-time missionary service. We have seen God answer prayer concerning both of these requests, but we always desire to see *many more* souls saved and *many more* laborers surrender to full-time missionary service.

We are extremely grateful for your faithful prayer and financial support and count it a tremendous honor to represent you in worldwide missions. God is using you in a very special way in our lives and ministry and we are eternally thankful. May the LORD richly bless you!

In Christ,
David & Barb
