

# NAVARRO FAMILY MONTREAL

December 31, 2021

Dear Pastor and Praying Friends,

We hope you all had a blessed Christmas season and that you and your families are in good health and grace in the Lord. We thank God for you all and for all your prayers and support throughout the year. As we approach the end of 2021, we would like to praise and thank God for all that He has done and for His help, guidance and faithfulness throughout the year. We are so grateful for His mercy and grace in our lives and in the ministry (Lamentations 3:22-23).

To God be all the Glory! Even though we have had ups and downs this year in the ministry and in our family, we look back with a humble heart of thanksgiving and hope in the Lord.

Since our last prayer letter we were able to have our Revival Conference with Pastor Leroy Pennell as our guest preacher. The Lord truly blessed the conference and our hearts were helped and encouraged through the Word, the messages preached and the fellowship we had together in the church. Praise The Lord!

After the conference, several families in the church contracted the virus, including me and my family. It was a very difficult time for the church, but God's grace helped us through.

I was very sick and in order to stop the spread of the virus we needed to close the church for 2 weeks as the Health Department got involved. All of our Christmas activities had to be cancelled but we thank God, the church was able to resume in person services after 2 weeks.

Some families are fearful to attend church again, but we are praying that God would touch their hearts and that the situation with COVID will improve.

Starting on December 31 at 5 pm, the government has issued a lock down in Quebec and a curfew. Please pray for us, the church and the situation here in Montreal.

We know that all things work together for good to them that love God, to them who are the called according to His purpose. Romans 8:28.

Brethren we ask for your prayers during this time for safety and protection for our church brethren and for God's work to continue as we preach the Gospel of our Lord Jesus Christ. Your cards and words of encouragement have been an encouragement to us, and we truly appreciate your prayers and support in the Lord's work.

We would like to thank the churches for their gracious Christmas gift which was a blessing to our family. As we look back at the year, we are very thankful for your investment and for remembering us in your prayers.
