It is at Thanksgiving, that our family remembers more than ever the great blessing each of you are to us as we partner together for the sake of the Gospel. We are grateful for you prayers and support knowing full well that without you, we could not accomplish what God has called us to do. This month has been a fruitful time of ministry.

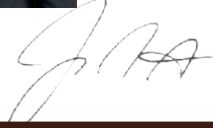

We were supposed to join the Mongolian Bible translators, some pastors and representatives from the Trinitarian Bible Society in Israel for two weeks to assist with some training and preparation toward the completion of the Mongolian Bible project. Unfortunately, the present conflict arose and prevented us from continuing with our plans. We thank the Lord we were not caught in the fighting ourselves. Our hearts go out to Israel, and especially the many innocents who find themselves in the crossfire of an existential struggle. We look forward to Christ's return as the Prince of Peace.

This change of plans allowed us to take advantage of opportunities to minister in some local churches here in Tennessee, and to help represent BIMI at the Southwide Pastor's Fellowship.

We have also been busy organizing, developing and promoting the training and outreach programs offered through CAMP BIMI and CONNECT. I have enclosed a brochure highlighting some of the opportunities available to young people as they explore missions. Certainly, we must pray that God will raise up more laborers for his harvest.

Please continue to pray for the preparations toward our semi-annual Candidate School to be held the first week of December. We have several wonderful families who will be candidating. May God bless you and have a wonderful Thanksgiving holiday!
