To God Be the Glory, Great Things He Has Done!

The headline says it all. This has been a summer of watching God do amazing things!

**Cam and Anna's
wedding.**

It all began on July fifth when Cam and Anna were married. It was a beautiful wedding and God certainly was glorified through it. Leslie and I are so thankful for both Cam and Anna's love for one another and their love for the Lord. Both of them are busy serving in many capacities here at the church.

The wedding was followed by our second annual community barbecue on August tenth. This year's bbq saw a decrease in attendance, but we're so

encouraged because several people who attended last year's bbq came again this year. And even more important is we have seen visitors attend church nearly every Sunday since the bbq, including a lady with her four kids. She hasn't missed a Sunday since the bbq, intently listens to the sermon each week, and is asking very good questions about faith. Please pray for her salvation.

Another cause for rejoicing is the three people who were recently baptized (seen in the photos to the right). We are now praying for their continued growth in the Lord.

Attached in the email that this letter was sent, you will find a two minute recap video of our community bbq. I do however, want to explain the last scene so it will make a bit of sense to you. The young man pictured has been attending church for quite some time and is being disciplined by another man in our church. He had his guitar with him at the bbq and sat with several older ladies fellowshiping with them while strumming some hymns on it. Before you know it, throughout the parking lot could be heard by all, those ladies singing I'll Fly Away as he played it on his guitar. People loved it! Thus, our videographer said we need to include that on the video.

Great is our Lord, and of great power: his understanding is infinite.

PSALM 147:5

We hope you remember that your faithful giving and prayers have contributed to the wonderful things God has been doing here lately. And we are so grateful.

As I close, may I make one prayer request? I've been telling Leslie so much recently that with all God is doing we must stay out of the way of what He's doing. Would you lift us up in prayer that we and our church will remain humble about the work the Lord is doing? I'm well aware that It's easy to become proud and we certainly have nothing to brag about except to brag about God's grace and mercy.

With Much Gratitude,

Shawn & Leslie Beliveau
