Ministry Updates

This month was busy with ministry opportunities. Chris and Becca taught a family class for another local church. This local church has several young people and couples that desire to live according to God's Word. We enjoyed the opportunity to teach such eager students. Our children brought their homeschool materials and sat in the back with P'Kaneeng.

We welcomed six new members to Sila Baptist Church. We're thankful for seeing how the Lord is growing the church.

Historic Flood

This month is generally the rainiest in Thailand. This year, the rainfall led to historic flood levels in northern Thailand.

Chiang Mai and Lamphun faced two successive floods. Many are still displaced. Our home and church were not flooded. Yesterday, Chris went to help a church member whose home and business flooded. While the house was mostly undamaged, his business warehouse had water several meters high. It will take a while for clean-up to be complete in both provinces. City officials are focusing on clearing areas, mosquito mitigation, and economic help. Pray for us to be a blessing to those in our city that need help. Please pray for those affected. Thank you for your faithful prayers and support!
