Baptist International Missions, Inc

A lot has happened since our last prayer letter. We are now in our second trimester at Baptist International Seminary. We praise the Lord for a great group of students and for a great spirit in the student body. We are thankful for financial help that we received to buy the Logos library for our seminary and students. At the present time we have 21 students faithfully studying for the ministry. They are taking turns going on monthly outreach trips into the country side of Bolivia as part of their educational requirements.

We are also helping at Emanuel Baptist Church as they look for a pastor and go forward in the ministry. We have seen new visitors on almost a weekly basis and a couple of salvations in the last month.

In April Jake had the privilege of traveling to Canada to speak at the commencement of FaithWay Baptist College of Canada. 30 years ago he was graduating from FaithWay. We are honoured to represent them on the mission field here in Bolivia.

We are so thankful for your faithfulness to our ministries here in Santa Cruz. Thank you for praying for us and for the ministries we are involved in. Also thank you for your faithful financial support.
