PRAYER LETTER: JULY, 2023

Dear Friend,

Greetings to you from India. We want to share with you what the Lord is doing in our ministry.

BIBLE COLLEGE:

On the first week of July, the new academic year began. Last year, we had 96 students, but this year, the Lord has given us 124 students to train for the work of Lord. These students come from 13 states and from Nepal. During the pandemic, we had no new admission of students.

I was pretty sure that the student enrollment would come down due to ethnic violence in the state of Manipur from the place highest number of students comes from but the Lord overruled the situation.

COLLEGE STAFF
Present teaching and non-teaching staff.
There are 14 teaching staff, including Molly and me.

**NEW PROJECT**

We are in need of three more flats to accommodate three teaching staff. At present, we have two buildings with ten flats but we need three more. The total cost of the entire project is \$112,875 but we are trying to raise only \$50,000. We appreciate your prayers for this need.

MANIPUR

Some of you are wondering what is happening in Manipur state. The situation is extremely volatile. The situation is so bad that it is hard to decide what is to be done. One report says that between 200 to 300 churches were demolished. Please pray for Dol and Jayan. I have changed their names.

Thank you for your prayers and support.

Sam & Molly, India
